

## ADHD & AUTISM SEMINAR

**Saturday, August 29, 2009  
9:00 am - 11:00 am**

### **“Practical Advice for Optimizing Your Child’s Health”**

**Nicola McFadzean, ND**  
(Defeat Autism Now! Doctor & Naturopathic Physician)

**Best Western Pepper Tree Inn  
3850 State Street  
Santa Barbara, CA 93105-3112**

With 1 in every 150 children diagnosed with autism, the prevalence of AD(H)D and Autism is staggering in this day and age. Yet awareness surrounding effective treatments is still limited. Dr. McFadzean will show you how you can help your child reach his or her full potential.

This seminar will provide an understanding of how genetics, biochemistry, immune system issues, and toxic loads are affecting our children and what steps can be taken to help.

**Seminar Registration Fee**

**\$25**

(Special thanks to Dr. Spore for donating her time)
